We can provide users with full-scenario lithium battery systems, and provide customized lithium battery solutions to high-end users. Click the link below to ...

This isn't just a battery; it's a fully integrated power fortress, combining a massive 120kWh LiFePO4 battery bank, a powerful 50kW inverter, and a sophisticated thermal management system within a ...

Our outdoor cabinets, made of double-walled aluminum profiles, have been specially developed to reliably protect battery systems in outdoor areas. These energy storage enclosures ensure safe ...

The ELECOD Outdoor Cabinet ESS for PV Storage & Charging offers an integrated and scalable energy storage solution designed for photovoltaic energy generation and charging applications.

From outdoor energy storage system cabinets to integrated cloud-based controls, EPC Energy has you covered. We want to help you create a sustainable future.

From outdoor energy storage system cabinets to integrated cloud-based controls, EPC Energy has you covered. We want to help you create a sustainable future.

The ELECOD Outdoor Cabinet ESS for PV Storage & Charging offers an integrated and scalable energy storage solution designed for photovoltaic energy ...

Why Customization is Stealing the Spotlight in Energy Storage one-size-fits-all solutions work great for socks, but when it comes to outdoor energy storage cabinets, customization is where ...

We can provide users with full-scenario lithium battery systems, and provide customized lithium battery solutions to high-end users. Click the link below to download technical documents

Engineered with reinforced steel enclosure and IP55/IP65 protection class for dust, water, and corrosion
