Looking for an ODM BESS energy storage system? Our all-in-one outdoor cabinet (50-100kWh) features an IP55 design, LFP cells, and easy expansion for C& I applications.

Our products are designed to deliver consistent power in remote locations or areas with limited grid access, making them ideal for small cabins, off-grid homes, and industrial sites.

Looking for an ODM BESS energy storage system? Our all-in-one outdoor cabinet (50-100kWh) features an IP55 design, LFP cells, and easy expansion for C& I ...
