What are IP67 enclosures?

Protect your electrical systems with our IP67 enclosures, built to withstand dust, water, and tough industrial conditions. Choose from rugged polycarbonate electrical enclosures, durable ABS enclosures, and fully sealed IP67 boxes suited to outdoor, washdown, and high-impact environments.

What is IP67 ingress protection?

IP67 is an ingress protection rating that guarantees your enclosure is completely dust-tight and can withstand immersion in up to 1 meter of water for 30 minutes. This means your electrical components stay safe from dust, water spray, and heavy jets, making it ideal for tough industrial conditions.

Are Wenergy Energy Storage Systems UL certified?

Wenergy's energy storage systems meet globally recognized standards, including UL 1973, UL 9540, UL 9540A, IEC, CE, VDE, G99, and UN38.3, ensuring compliance with safety, EMC, and grid-connection requirements across North America, Europe, and other major markets.

What makes Wenergy a good battery storage system?

All solutions adopt advanced LFP battery technology with liquid cooling and IP55/IP67 protection. After 14 years in the field, Wenergy is now a battery storage system manufacturer you can trust.

.

Who We Are Wenergy is a global energy storage provider with vertically integrated capabilities--from core materials to advanced energy storage ...

The "all-in-one" design integrates batteries, BMS, liquid cooling system, heat management system, fire protection system, and modular PCS into a safe, efficient, and flexible energy storage system.

With over 25 years of industry experience, EnclosurePro is a trusted UK supplier of sturdy, weatherproof IP67 enclosures that are built to last. Protect your electrical systems with our IP67 enclosures, built ...

Explore UK-designed energy storage enclosures - secure, modular battery and hydrogen cabinets for EV, grid and renewable projects.

IP67 Enclosures at CPC. Competitive prices from the leading IP67 Enclosures distributor. Check our stock now!

We have a wide range of IP67 enclosures in stock and available to buy online with next day delivery. Online chat available to help you with your purchase.

With options for wall mounting, modular setups, and custom configurations, there's a solution for every application. Explore our range of durable electrical enclosures now at CEF.
